

Making Safety Simple!

Do you have access to the Work Health and Safety Act 2011?

Are you aware of your responsibilities under the Act as an Employer?

Work Health and Safety Audits

Community Management Solutions can assist you by providing straightforward information and advice on how you can ensure your organization complies with all relevant legislation with our comprehensive Work Health and Safety Audits.

All Work Health and Safety Audit Inspections include:

- An onsite inspection of all parts of your organization, detailing hazards and associated risks.
- A basic evaluation plus evaluation of risk management processes.
- A comprehensive report of findings and recommendations on things like:
 - Disease prevention;
 - Manual tasks;
 - Basic food safety;
 - Electrical safety;
 - Hazard identification processes;
 - Risk assessment;
 - Risk control;
 - Policies and procedures;
 - Training requirements.

What does all this cost?

WH&S Audits are charged at \$1100 for CMSolutions Members costs are inclusive of GST. All costs exclude travel and accommodation expenses outside the Brisbane Metropolitan area.

For businesses with multiple sites a separate fee is available. For organizations in regional or remote areas, group audits (of 3 to 5 organisations) would be the most efficient way, so have a chat to neighbouring organisations to ensure we can come up with the most economical proposal for you.

A professionally conducted WH&S Audit will greatly assist in the fulfilment of your requirements and leave you with the peace of mind that you are complying with the Work Health and Safety Act 2011.
